BECOME CATALYSTS FOR CHANGE

See our corporate membership packages, what's included, the benefits, how it helps vulnerable children and adults and how you can be a part of the change.

AMPLIFY OUR REACH

By joining EdShift's corporate membership, you extend our reach exponentially. Your networks, resources and influence become catalysts for change.

Together we can touch more lives, break cycles of violence, and continue providing safe spaces for children and young people.

SUSTAINABILITY WITH PURPOSE

Sustainability isn't just about financial stability; it's about purpose-driven impact. Your investment directly fuels our programmes - The Nest, Spotlight and Bravebox.

It sends that healing message to all children affected by domestic abuse, that they are not alone and their lives matter.

CHAMPIONING RESILIENCE

When businesses like yours stand with EdShift, you become champions of resilience. Imagine the hope we can ignite, the futures we can shape, and the healing we can facilitate.

HOW YOU CAN ENGAGE:

1.

CORPORATE PARTNERSHIPS

Collaborate on projects, sponsor events, or provide in-kind support. Your expertise can transform lives.

2.

EMPLOYEE ENGAGEMENT

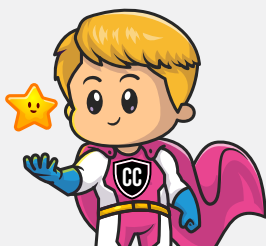

Encourage your team to volunteer, mentor, or participate in our workshops. Their skills enrich our programmes.

3.

ADVOCACY

Be our ambassadors. Spread the word about EdShift's mission. Invite other businesses to join our movement.
